## ACTIVITIES & EVENTS

### A Musical Afternoon with Steve Lynn

We had the pleasure of welcoming the talented Steve Lynn to Yarnley House, and what a fantastic afternoon it was. Steve brought an hour of lively music, light-hearted humour, and classic favourites that had many of us singing along. From the moment he arrived, there was a real buzz in the room, and his warm personality made everyone feel at ease. We're already looking forward to his return in September.

### Time to Unwind: Pamper Afternoon

Our recent pamper afternoon was a lovely way for residents to relax and enjoy a bit of self-care. The ladies were treated to manicures, soothing facials, and, of course, a well-deserved glass of wine to top it all off. The atmosphere was calm and cheerful, with plenty of laughter and conversation - a perfect way to spend a quiet afternoon together.

### Seated Sports Day Fun

With schools on their summer holidays and sports days taking place across the country, we decided to host our own version right here at Yarnley House - but with a twist. Our soft-seated football session brought out everyone's competitive side! There was lots of cheering and friendly rivalry, and our ladies were proud to show off the trophies they earned. A great day all round with plenty of smiles.

### A Special Visit from the Alpacas

We had some very special guests at Yarnley House recently - a group of friendly alpacas came to visit the residents. It was a truly heart-warming experience. Animal therapy can have a powerful impact on wellbeing, and being around the alpacas brought a sense of calm, joy, and connection to everyone. Residents enjoyed stroking them, watching them roam, and even having a quiet chat with them! It was a lovely day that lifted spirits and sparked lots of conversation.
