RECENT HIGHLIGHTS

Ice Cream Trike

There was excitement in the air as the Ice Cream trike rolled in bringing smiles, laughter and a wonderful trip down memory lane...

The sight of the ice cream trike sparked cherished childhood memories of chasing the ice cream man on a hot summers day, favourite flavours and family holidays by the sea.

Residents and staff came together to celebrate the simple pleasures in life that can make summer so special.

Keeping Cool, Keeping Active!

The residents at Yarnley House made the most of the warm weather with some ice lollies and fun water sports activities in the garden!

Staying active is important at every age, and water-based games provide a fantastic way to encourage gentle movement, improve coordination, promote social interaction, and most importantly, keep cool during the summer heat.

Yarnley House Dog Show

What a fantastic day everyone had at the Yarnley House Care Home fun dog show. Happy dogs, smiling faces and a wonderful community spirit made the event a great success.

A huge thank you to our fantastic judge, Tanya from Eden Beau Dog Grooming Boutique, and to the team at Animal Avenue Ringwood for their support and wonderful products.

Thank you to everyone who joined us for refreshments, entered their dogs, donated to the charity and helped make the morning such a great success.

Men's Health Week

Men's Health Week reminds us how important it is to support the physical, emotional and spiritual wellbeing of the men living at Yarnley House.

Taking time to focus on health, self-care, meaningful conversations, hobbies, friendships and personal interests can have a positive impact on confidence, wellbeing and quality of life.

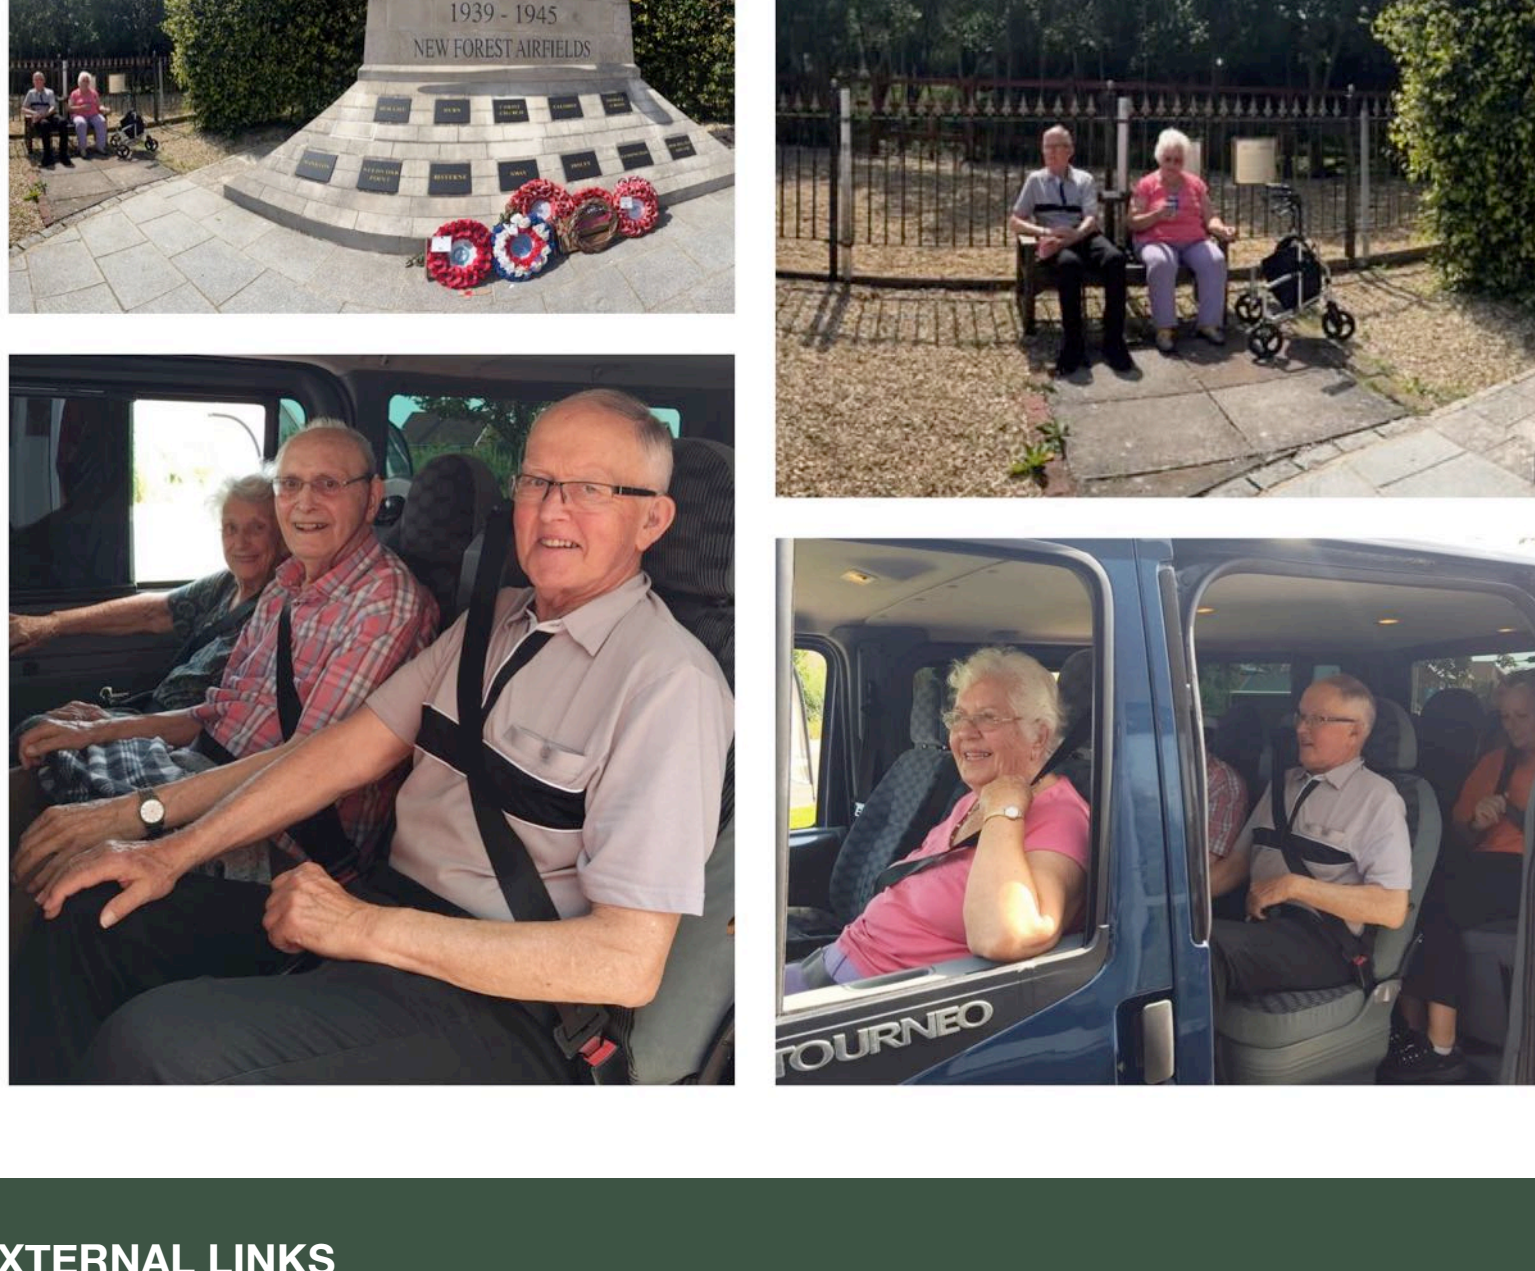

A huge thank you to one of our wonderful volunteers for treating our gentlemen to a relaxing pamper session using products from Tropic Skin Care. The residents thoroughly enjoyed being spoiled, sharing stories and taking some time just for themselves.

A Day Of Remembrance

A wonderful day of reflection and remembrance. A few residents enjoyed a trip to the local airfield memorial site, where they read touching poems and spent some moments sharing memories.

Outings like these offer so much more than a change of scenery. They encourage reminiscence, stimulate conversation, create social connections and promote physical activity.
